Updating employee record-

A screenshot of a web browser window titled 'Update Employee' with the URL 'localhost:8080/Project/update?id=2'. The page contains a light blue rectangular form with the following fields: 'Employee Name:' with the value 'Harsha Rao', 'Employee Address:' with the value 'Hyderabad', 'Employee Phone:' with the value '7845125689', and 'Employee Salary:' with the value '21000'. Below these fields is a purple 'Update' button.

A screenshot of a web browser window titled 'Employee List' with the URL 'localhost:8080/Project/list'. The page features a green 'Add Employee' button and a search bar with the text 'Enter Employee ID:' and a 'Fetch' button. Below the search bar is a table with 6 columns: 'Id', 'Employee Name', 'Employee Address', 'Employee Phone No.', 'Employee Salary', and 'Action'. The table contains 4 rows of employee data. Each row has green 'Update' and red 'Delete' buttons in the 'Action' column.

Id	Employee Name	Employee Address	Employee Phone No.	Employee Salary	Action
1	Suman	RTNagar	8956231447	15000	<button>Update</button> <button>Delete</button>
2	Harsha Rao	Hyderabad	7845125689	21000	<button>Update</button> <button>Delete</button>
3	Raghav	Delhi	7845125689	18000	<button>Update</button> <button>Delete</button>
4	Roop	delhi	8967458967	15000	<button>Update</button> <button>Delete</button>
